Dear Michelle:

On behalf of the Board of Directors and the entire INS membership, congratulations on receiving the Gardner Foundation-Leslie Baranowski Award for Professional Excellence. We are grateful for your contributions to the infusion specialty and commend you for your commitment to professional development.

Your professional achievements and dedication to the infusion nursing specialty reflect well on the mission and goals of INS. Your contributions, combined with those of your colleagues in the specialty, help to ensure that infusion patients receive the best care possible.

Best wishes for your continued personal and professional fulfillment.

Sincerely,
